sojourn is a leitwort in the ancestral narratives of genesis repeatedly accentuated as an important descriptor of the patriarchs identity and experience this study shows that despite its connotations of alienation sojourn language in genesis contributes to a strong communal identity for biblical israel an innovative application of anthony d smith s theory of ethnic myth utilizes the categories of ethnoscape election and communal ethics as analytical tools in the investigation of the genesis sojourn texts close exegetical treatment reveals sojourn to strengthen israel s ethnic identity in ways that are varied and at times paradoxical its very complexity however makes it particularly useful as a resource for group identity at times when straightforward categories of territorial and social affiliation may fail

despite many predictions made over the last two hundred years that nation states and nationalism are transient phenomena that will eventually fade away the historical record and contemporary events show otherwise nationalism still remains the most popular potent and resilient ideological discourse and the nation state the only legitimate mode of territorial rule this innovative and concise book provides an in depth analysis of the processes involved in the emergence formation expansion and transformation of nation states and nationalisms as they are understood today sinisa malesevic examines the historical predecessors of nation states from hunting and gathering bands through city states to modernizing empires and explores the historical rise of organizational and ideological powers that eventually gave birth to the modern nation state the book also investigates the ways in which nationalist ideologies were able to envelop the microcosm of family kin residential and friendship networks other important topics covered along the way include the relationships between nationalism and violence the routine character of nationalist experience and the impacts of globalization and religious revivals on the transformation of nationalisms and nation states this insightful analysis of nationalisms and nation states through time and space will appeal to scholars and students in sociology politics history anthropology international relations and geography

over ninety years since their absorption into the modern iraqi state the kurdish people of iraq still remain an apparent anomaly in the modern world a nation without a state

in the kurds of iraq mahir aziz explores this incongruity and asks the pertinent questions who are the kurds today what is their relationship to the iraqi state how do they perceive themselves and their prospective political future and in what way are they crucial for the stability of the iraqi state in the wake of the gulf war of 1991 in the face of the iraqi state the kurds endeavoured to create a de facto state and to concretise and stabilise the institutions that would enable this the kurds of iraq thus examines the creation evolution and development of kurdish nationalism despite the suppression of its political and cultural manifestations through extensive interviews in the field aziz assesses the impact of recent history on the complex process of identity formation amongst kurdish students at three of the nation s leading universities he provides an in depth examination of students socio economic backgrounds and their thoughts on and experiences of what it means to be kurdish in the modern iraqi state and the impact this has on their perception of their language culture and religion aziz s invaluable and extensive field research furthermore serves as a point of departure for an investigation into the relationship between national identity and historical memory in iraqi kurdistan and beyond he thus analyses wider issues of the intersection and interdependency of national regional ethnic tribal and local identities he thus constructs an intimate portrait of the kurds of iraq which will provide an important insight for students and researchers of the middle east and for those interested the important issues of nationalism and ethnic identity in the modern nation state and the impact these issues have on the stability of iraq itself
