juveniles who commit crimes often find themselves in court systems that do not account for their young age but it wasn't always this way the original aim of a separate juvenile justice system was to treat young offenders as the children they were considering their unique child status and amenability for reform now after years punishing young offenders as if they were adults slowly the justice system is making changes that would allow the original vision for juvenile justice to finally materialize in its original design the founders

focused on treating youth offenders separately from adults and with a different approach the hallmarks of this approach appreciated the fact that youth cannot fully understand the consequences of their actions and are therefore worthy of reduced culpability the original design for youth justice prioritized brief and confidential contact with the juvenile justice system so as to avoid the stigma that would otherwise mar a youth's chances for success upon release rehabilitation was seen as the priority and efforts to redirect wayward youth were to be implemented when possible and appropriate the original tenets of the juvenile justice system were slowly dismantled and replaced with a system more like the adult criminal justice system one which takes no account of age in recent years the tide has turned again the number of incarcerated youth has been cut in half nationally in addition juvenile justice practices are increasingly guided by scholarship in adolescent development that confirms important differences between youth and adults and states and localities are choosing to invest in evidence based approaches to juvenile crime prevention and intervention rather than in facilities to lock up errant youth this book assesses the strategies and policies that have produced these important shifts in direction important contributing factors include the declining incidence of youth committed crime advances in adolescent brain science nationwide budgetary concerns focused advocacy with policymakers and practitioners and successful public education campaigns that address extreme sanctions for youth such as solitary confinement and life sentences without the possibility of parole yet more needs to be done the u s supreme court has recently voiced its unfaltering conclusion that children are different from adults in a series of landmark cases the question now is how to take advantage of the opportunity for juvenile justice reform of the kind that would reorient the juvenile justice system to its original intent both in policy and practice and would return to a system that treats children as children using case examples throughout nellis offers a compelling history and shows how we might continue on the road to reform

what should we do with teens who commit crimes two leading scholars in law and adolescent development argue that juvenile justice should be grounded in the best available psychological science which shows that adolescence is a distinctive state of cognitive and emotional development

in this highly charged insightful investigation ira schwartz takes us through a fascinating inquiry into the entire juvenile justice system in the united states tracing the past twenty years of attempted reforms through current trends he measures the impact of various administrative legal and fiscal reform efforts and illustrates how the contemporary juvenile justice system is still in shambles for the majority of our youth

juvenile justice is an ideal brief core text for undergraduate courses such as introduction to juvenile justice juvenile crime juvenile violence juvenile delinquency and youth justice in departments of criminal justice criminology and sociology book jacket

juvenile justice combines a text with carefully selected accompanying readings the readings will have a policy orientation giving them a real world applied character the book contains extensive coverage of the juvenile justice system focusing on law enforcement court and correctional responses to juvenile offending with an overview of the causes of delinquency this unique approach of combining a text and a reader will provide students with an understanding of the juvenile justice system and an introduction to some of the best original research articles by experts in the field

presents essays that cover a range of topics of interest to those who study women crime and criminal justice this book demonstrates how our notions of gender race and class influence both how society defines crime and how offenders commit crimes and are treated for their actions it includes a variety of national and global perspectives

taking in a century of change this work focuses on how the supreme court brought the juvenile court system under constitutional control it describes the case of gerald gault an arizona teenager who was sent to reform school for making an obscene phone call

for juvenile justice juvenile delinquency courses in criminal justice criminology and sociology departments fully focused on the important issues emerging trends contemporary research and special challenges facing juvenile justice today this comprehensive exploration of the american juvenile justice system covers the history and philosophy of juvenile justice the current practices for processing youthful offenders the detention of juveniles and the diversion of youth from the juvenile justice system unique in its approach it gives students an up close and personal view of the fascinating and sometimes tragic world of the juvenile offender and the personal psychological and thinking processes that characterize juvenile misbehavior

this three volume set of original readings is designed to reveal how and why children and young people have been repeatedly the subject of adult concern censure and intervention it conceptualises notions of childhood youth and adolescence whilst also tracing the complex history of adult intervention and juvenile justice this collection is particularly timely not only because of persistent concerns over out of control youth but also because of an apparent hardening of adult reactions in many jurisdictions youth justice
